- The Working Group proposes this AMENDED proposal for the Telegram Supergroup:

These are the specific business purposes of the Supergroup GA and committee channels:

- Agendas.
- Meeting minutes.
- Requesting agenda items.
- If there are other questions or opinions and the person is not able to go to the committee meeting, then they should go privately to the committee chair. Please do not post the question or comments in the open channel."

This language was previously presented to the GA, but the language about the "Fun Times and Good Vibes" channel has been removed from this language. Voting for this proposal will NOT remove the actual "Fun Times..." channel from Telegram. This is being done to harmonize with a proposal from the Ombudsman/Decorum Committee.

- VOTE on proposal the Ombudsman Committee presented last week for the Telegram Supergroup Decorum Guidelines. Amended proposal attached.

New Opportunities

- Nicholas Kiciak and Troy Brown propose a Discussion Forum for TheMichiganAssembly Unincorporated on Telegram (The image is a proof of concept set-up with assistance by Troy Brown).
 - Use the same Decorum Guidelines as the Pubic Channel.
 - Future forward to the website at a later date as the website will allow for a better organized Discussion Forum.
- IT and Outreach Committees propose a LinkTree for The Michigan Assembly. Proposal attached.

15 August 24 Decorum Proposal Amendment

Proposed Decorum Guidelines for the Telegram Super Group, presented to the The Michigan General Assembly at the General Assembly Meeting Tuesday 13 August 2024. Questions or comments will be entertained at the Decorum/Ombuds meeting on Thursday 15 August 2024. A request for acceptance at the GA meeting Tuesday 20 August 2024.

Amendments discussed 15 August 2024 Decorum/Ombuds committee meeting:

- 1.) Recourse for the man or woman disciplined is the Ombuds committee.*
- 2.) Clarification that enforcement affects participation in all sub-groups on the Assembly Telegram Supergroup Channel. [Working Group proposal will include a work around to keep the member in community with the creation of an ASN Supergroup for non-assembly business and all ASNs with similar decorum guidelines.]*

The Decorum/Ombuds Committee wish to propose the following guidelines

Welcome Men and Women of The Michigan Assembly!

We are governed by the laws of Nature and Nature's God and therefore we live in honor and respect of one another. We work together in friendship, support and love as we build our four pillars of freedom to protect the men and women on Michigan.

Please treat others as you wish to be treated. Be kind. Do no harm. Please avoid what we consider Decorum violations:

- Advertising
- Vulgarity
- Name-calling
- Threats
- Accusations
- Personal Attacks
- Outburst of Rage
- Nonsensical Drama
- Any items as listed in Anna Von Reitz's Articles #3374 or #3816

These violations cause harm. As sovereigns, we recognize that our sovereignty ends where another's begins. As such, violations may include disciplinary actions, up to and including, but not limited to, deletion of the comment, time outs — restricting your ability to post to the channel, and/or your removal from this Super Group Telegram Channel.

The process for enforcement includes:

1. Anyone in the assembly may call out decorum violations, citing the offense.
2. Anyone in the assembly who is not a part of the questionable exchange, may second the call for enforcement.

3. After a second is made to the call, the man or woman who called out the violation will post a message, addressed to an admin (@admin), for enforcement of decorum guidelines.
4. Admin will private message the man or woman who violated decorum explaining the violation(s) and the penalty to be enforced.
5. Admin reports to the Super Group Channel the action taken.
6. Admin keeps records of offense in a separate Telegram group for the admins only.
7. Enforcement will follow a *graduated penalty structure. Enforcement affects participations in all sub-groups.
8. The man or woman who has been notified of the breach in decorum may seek additional comprehension, by reviewing the articles noted above in the decorum guidelines and the video, by Anna Von Reitz, posted here: <https://rumble.com/v5agagk-clip-of-webinar.html> , regarding decorum in our assemblies. Should the man or woman need more discussion regarding this enforcement the Ombudsman Committee is a resource.

***Graduated Penalty Structure:**

The Admin has the latitude of using his/her discretion when enforcing the penalties. If the conversation with the man or woman clearly shows they comprehend his/her error completely and it is clear they are genuinely sorry, they may be eligible for just a warning.

- o Graduated Structure applies to all subgroups in the channel:

1st offense: 24 hours no posting privileges

2nd offense: 3 days no posting privileges

3rd offense : 1 week no posting privileges

4th offense : removal from the group for 1 week, after which no posting privileges for 1 month

5th offense and future offenses: 1 month removal from the group, after which no posting privileges for 3 months

- o Guideline for clearing offense records: 90 days from the last recorded offense
- o These guidelines will be posted to the TMA Telegram Super Groups and Admin Telegram Group

Outreach – IT Communications joint proposal to GA.

We propose:

Creating and adding a TMA Link Tree. This has become a convenient, popular and marketing and resource tool for modern digital media. It offers TMA Outreach opportunity to be used for increased connection and exposure. Additionally, for Education and Orientation Committees and Freedom Guides it will centralize our most referenced web partners and resources conveniently in one place for quick and efficient access to them.

In report based upon preliminary research, on some of our up-lines Link Tree's, wherein all the links for each of the 50 Assembly's Link Tree's exist, Michigan not having a Link Tree, there is not an option to follow. We would like to take the opportunity to fulfill some of these free marketing gaps and opportunities directing to TMA as well.

Recommend a Link Tree for the Assembly with the following items which will grow and be added to in the future as we grow and find more to include. Recommend: studying multiple other Assembly link trees and websites for the links we ANS's feel are most important to share! Please GA, make suggestions and submit your offerings to Jan in IT as we accrue the great resources – more minds ! we won't forget valuable ones!

Such links can include: (not in any particular order)

- The Michigan Assembly Website
- Declaration paperwork – TMA Form Generator
- TMA Calendar of Events – links to meetings
- Around Michigan
- TASA
- Sign In America
- Terri Anna Call
- The United States of America podcast
- Donations – TMA Cash app; Anna ; PKTF
- TMA Telegram
- TMA Facebook
- TMA Instagram
- TMA Clouthub
- TMA Twitter
- TMA LinkedIn
- TMA etc...
- Anna
- Paul Stramer
- PKTF
- CMS
- Video channels:
- TMA Rumble – replays
- TMA Bitchute - replays
- Anna's audio articles
- Anna's books
- Anna's video's – Granna Bites
- Etc...

Cost to Implement: \$0 unless we need more features.

Estimated Implementation timeline/completion: 1 to 2 weeks to implement the parts of this that we have links to or accounts for. Other links would be added as we find them. We will need to start simple and add more later

Who's needed for Implementation: IT to open the account and add the links. Outreach to provide some of the links. Links provided by other will be considered.

What needs to be accomplished to Implement: 1. At this time, TMA doesn't have a Facebook, Instagram, Clouthub, Twitter, LinkedIn or other accounts and none of these accounts have been approved by the GA. 2. A linktree account. 3. To choose a linktree template.
