**The Michigan Assembly  
General Assembly Meeting  
Agenda Proposal**

**1) Proposal Designation: 20250209-IT-1-6**

**2) Proposal Working Title: A Forum on the Members Only Website**

**3) Proposal Language:** Build a forum on the members only website. To be able to do this, we will need to use the decorum guidelines from the supergroup. Moderators will be needed (called admins on Telegram).

Possible ways to do this are a forum plugin or we may be able to use Telegram code.

This proposal is to determine if the General Assembly wants a forum on the members only website.

**4) Describe how this proposal serves and/or protects the people on Michigan:** This will make it possible for all members of the assembly to be able to communicate with all other members without using email or zoom. Some members will not use Telegram and they are missing out on this kind of communication. It is a good idea to have more than one way to communicate.

**5) Sponsor:** Jan Buzard, IT Committee

**6) Assemblymen who worked on the proposal:** Jan Buzard, Rene McGuigan, Debra-Ann Garcia Wagner, Rick Worden, Aaron Stoddart-Cordova, Bob Brown, Linda Steinke
