Vetting Committee

Approves membership and reviews candidate eligibility for elected positions, including background checks and "interviews" applicable to the positions being applied for. This committee requires at least 3 members to function properly, but it is best to have more. The Chair is elected by the General Assembly and members are unelected volunteers.

State level vetting committee members and chair are all American State Citizens who have completed their 928s and have been vetted and trained by the Federation. County level vetting committee members and chair (also American State Citizens having completed their 928s) can be vetted and trained by either the Federation or state level vetting committee.

Oversight Committee

Provides general oversight (7) and a forum for complaints: Works with each of the other committees to ensure that they are operating with integrity and honor. Reviews complaints pertaining to the operation of a committee and presents to the General Assembly.

Ombudsman Committee

Provides conflict resolution and arbitration services. A highly functioning Ombudsman committee prevents the courts from being overloaded because they help bring resolution to perceived harm before it becomes a court issue. Provides arbitration services, general resolution services, etc.

Marshal at Arms

Description

The Marshal at Arms ensures the safety and decorum at all meetings and events, providing safety and security of the meeting place itself and the people at the meeting. He or she trains others to handle the security of all the Assemblies and the people who work for the Assembly. He or she cares for the flag and works with the Elections Committee to secure ballots.

The Marshal at Arms serves all 4 pillars of the Assembly - all meetings, all people. He or she can appoint and train others to assist with various duties, but the responsibility remains with the Marshal.

A state level Marshal-at-Arms receives training from Federation level Continental Marshals, and county level Marshals in turn receive training from State or Federation level Marshals.

A State level Marshal serves as a "committee chair" for all of the County Marshals at Arms as a collective. Or, think of it this way: every county level Marshal at Arms becomes part of a state level team or "committee of the Whole, Marshal at Arms" for which the State Marshal at Arms acts as "chair". The Marshals all work together, sometimes even with the Federation Marshals to handle larger security issues.

Elected/Appointed

The State Marshal at Arms is elected by the people of the State General Assembly.

Qualities of a Good Marshal at Arms

- Is a natural protector
- Is strong without being egotistical
- Is patient and not easily triggered
- Knows how to deescalate situations
- Maintains composure and poise in difficult situations
- Remains neutral and unbiased
- Is well-trained in self-defense, community protection and arms use
- Can work well on a team with other Marshals when necessary

Old Business:

- Troy Brown volunteered last week for **Vetting Committee Chair**.
- You can nominate whoever you want for Vetting Chair, even yourself... we will do this next week, and the week after we will have nominees speak about themselves, and the week after that is when we may vote for Vetting Committee Chair.

- Anyone's ppW is in Everify to see if anyone who has their 928's done.

- After we choose the vetting chair, then we will look at these positions anyone is interested in ...
 - Marshal-at-Arms
 - Ombudsman
 - Oversight Committee
- PKTF Offer and Liason Position were not mentioned in this meeting.

- **Nicholas** speaks on his email sent recently.
- Richard said that info could not be revealed while an investigation going on, and that Nicholas and Leonard Lee fought for their rights, and that they're here because they got their rights back... although how they went about it is another story.

- **Nicholas** text is a poor medium for emotional clarification.

- Amy + Richard suggest article 3320. About Oversight Committees

- This interested in the Litigation group.... Amy warns that talking of Litigation is good, but it does nothing to help set up our pillars. There's too many variable to help us resolve issues. We need to get up our courts first.

[editor - I think some names were missed... oops.]

- Troy, it's going to be sharing info... and be prepared to do your own work. It's too much for anyone else to do. I'm going to fill your heads with things I've heard. I can give guidance. It's a collective effort from all of us.

- Nicholas - (from chat) Hence the Public Podcast I am creating to allow Sovereigns to speak on topics that are important to them along with Official Communication from The Michigan Assembly. This allows us amplification & propagation tools.
