Meeting Protocol

As men and women on the land and soil of Michigan, we are called to act in honor at all times. During this meeting we are all expected to abide by the following protocol:

- Everyone please mute your microphones now if they are not already. Keep them muted unless you are speaking. - We will follow the agenda for today. If you wish for a topic to be added to the agenda for a future meeting, please email the coordinator.
- Everyone will have an opportunity to speak at the appropriate time. Use the raise hand function and wait to be called on. Once called upon you will have three (3) minutes.
- Please be polite and courteous while speaking and keep comments focused solely on the topic at hand. This General Assembly meeting is not the appropriate forum to discuss personal issues you have with the corporations masquerading as our current government.

If anyone speaks out of turn or over three (3) minutes, strays off topic or does not follow the meeting protocol, the following will happen:

- 1 st Offense – Marshal at Arms will mute your microphone and give a warning.
- 2 nd Offense – Marshal at Arms will mute your microphone and disable your video. You will not be acknowledged to speak for the remainder of the meeting.
- 3 rd Offense – Marshal at Arms will remove you from the meeting.
- The same protocol applies to the chat function. Keep chat appropriate, on topic and cordial. Inappropriate items include any files or attachments not directly on the agenda and discussed by voice.
- Offenses are counted as three total, whether by voice or chat.
- If these offenses happen for multiple meetings, a longer-term time-out may be issued.

Vetting committee chair -

- Troy Brown + Rick Worden have accepted nomination.
- Each will have 5 min. to talk, then you can raise your hand to ask them questions for which you will not be cut off (for the amount of time).

- **Rick Worden** - I write things down to consider them.
- I will decide who is appropriate for a "chair" position.
- We'll need enough people who can be on the vetting committee to help in decisions.
- I have some free time, while I attend to my mother's health.

- **Troy Brown** - I have a little bit of the same as Rick.
- This is like family dinner, without being uncomfortable.
- We just need someone to fit in the right position.
- Where would be people's skill's be put in the best place.
- I run a construction business, but my time is more to the assembly.
- I believe in Anna's work and to the PKTF.
- I'm here to serve the people of Michigan.

- The floor is open to ask these guys questions...

Q - Debra-Ann - How will you see discern if people have the strengths / skills for chair positions.

A - Rick - We'll just see if they have qualifications.

Q - Debra-Ann - Troy, how would you balance the vetting job with being an RS ?

Troy - I'm very high strung, and I multi-task. I've always been wearing several hats at once.

Q - Nick - To both... if something else should arise, would you bail this position of vetting chair ?

Troy - I'm fully committed to this assembly.

Rick - I don't know what might happen, I would stay here.

Q - Mary - If Paul Peterson were to join this assembly ?

Troy - We would not look over it, and deal with it if it were to happen.

Rick - The marshals would do vetting, and it was the assembly that decided it was wrong direction.

Q - James Garner - To both, how would you make it so that with new people coming in, how would they feel comfortable ?

Rick - I saw how people were passing you around online. The vetting role may not get into that role, but only those already in the assembly, and may keep it private.

Troy - I agree, this position doesn't have more than to be about vetting. I always greet everyone from Telegram.

Amy - For clarity, we don't do vetting with the first interview to enter the assembly, but only for those who are to have a role in the assembly.

Q - Linda Johnson - How many in each chaired committee. Are there other positions you are interested in. Would you step down in honor if you have a problem.

Rick - No problem with that.

Troy - As well, I'd step down.

Amy - The coordinator, Treasurer, and the vetting chair... ideally 5, always an odd number.

Q - Linda Johnson - Are there other positions you're better suited for ?

Troy - I enjoy being an RS to meet new people, and I want to do the Litigation.

Rick - Other interests is project management. I have a big view of the militia because of my b.g. in safety.

Q - Kimberly W. - What does the vetting process look for you Q

Troy - If you are eligible for the position you're looking to do. The Continental Marshals will help that.

Rick - I won't know till I'm vetted by the Continental Marshals.

Q - Mary - Others counties are doing other things... do you have connections with other groups that are doing similar activities ?

Rick - No, this is the only assembly I'm doing.

Troy - Same here... I looked at other patriot groups, but Anna is where my loyalty is at.

Q - Linda J. - Vetting chair has to be vetted first ?

Amy - It is a state citizen position. I was not vetted to be a coordinator. We only vet the one who is elected.

Q - Nick - This is a qualifying Q.... which of you would be able to blah, blah, blah (talked too fast) ?

Troy - Yep.

Rick - Gotta get stuff on paper.

Q - Amy - How would you separate vetting from personality ?

Rick - I've been talking about personality a lot, and it helps to discern a person. All the training I've had in the last year will help... what we can prove and document.

Troy - Vetting is about facts rather than opinion. We'll have lots of people coming thru, and may not be our cup of tea, but this is a rescue mission... to see if they're qualified.

Q - Linda J. - There's certain protocol's to be a vetting chair... if there's a change, could you change if the committee was dishonorable ?

Troy - The Continental Marshals are the highest honorable position. I would weed it all out with the assembly.

Rick - If I see anything dishonorable, I would speak up. Anything would be approved by the assembly.

Q - Mary - Do you have any experience with 12 steps or positions ?

Rick - I've never been involved in that.

Troy - I've had friends who have gone thru those programs.

Amy - Any more questions ?.... I now close the question portion.

- We will type the name in the chat **next week**.

Kimberly - Are RS's vetted in position ?

Amy - We were vetted by the Continental Marshals, but that has changed.

- The RS in the past has not gone thru any vetting, but I think we should now.

- They should conform that they'll perform in honor.

- We can't vet any until we have the vetting committee first.

Amy - Every position is a pro-tem ... but we're not ready for the big time yet.

Treasurer pro-tem (temporary) -

Amy - You can nominate anyone in the assembly... or yourself.

Debra-Ann - I nominate Mark Steinke.

Rene McG - I 2nd it.

Mark Steinke - I accept.

Amy - Anyone can have more thorough Q.'s next week.

Amy - **Conflict resolution...** last week Thursday at 6pm, May 23, 2024.... and Debra-Ann was the Ombudsman. Anyone is welcomed to attend... I'll make sure a link goes out... and here's one in the chat...

- **Debra-Ann** - We had a time keeper who had a bell that would go off, and each round was timed.

- We asked for their intention... presenting their info to understand each other.

- It was a wonderful experience... there was some misunderstandings, yet, got cleared up.

Nick - <https://pktfnews.org/more-proof-of-state-assembly-progress-through-resilience/>

Amy - This is one of those things we don't want to rush thru.

- Anthony Foxx was not in dishonor. He may return in the future.

Working Group report:

- Wednesday at 4pm.
- Debra-Ann - An issue was that someone felt unsafe because their vote was public.
 - We decided that the votes are safe. This is family, and is not a GA issue, and as family we will protect each other.
 - Nick - Someone should bring their research on why their vote should be private.
 - Rick - We can wait till there's an issue, and we'll deal with that.
 - Amy - If anyone does not want to vote, they don't have to.
 - Fred - You can't have a private vote on a public issue.
 - Amy - The way we are doing it is how it will be for now.

Amy - Freedom Helper or Freedom Friend... from our Sunday 1pm meeting, May 19, 2024.

- Kimberly - Freedom Friend template.
- Thanks to Linda and Mark Steinke for this fantastic template (good for organization).
