Meeting Protocol

As men and women on the land and soil of Michigan, we are called to act in honor at all times. During this meeting we are all expected to abide by the following protocol:

- Everyone please mute your microphones now if they are not already. Keep them muted unless you are speaking.

- We will follow the meeting agenda. If you wish for a topic to be added to the agenda for a future meeting, please email the coordinator.

- Assembly members will have an opportunity to speak at the appropriate time. Use the raise hand function and wait to be called on. Once called upon you will have three (3) minutes.

18:12:24 From \*Nicholas Kiciak/Macomb/State Marshal-At-Arms to Everyone:

Please be polite and courteous while speaking and keep comments focused solely on the topic at hand. This General Assembly meeting is not the appropriate forum to discuss personal issues.

- General Assembly members are marked with an asterisk (\*) before their name. Everyone else is a guest. Guests are welcome to observe but shall refrain from speaking and text chatting during these proceedings. An Outreach invitation will be offered at the end of the meeting.

18:12:52 From \*Nicholas Kiciak/Macomb/State Marshal-At-Arms to Everyone:

If anyone speaks out of turn or over three (3) minutes, strays off topic or does not follow the meeting protocol, the following will happen:

- 1st Offense - Marshal at Arms will mute your microphone and give a warning.

- 2nd Offense - Marshal at Arms will mute your microphone and disable your video. You will not be acknowledged to speak for the remainder of the meeting.

- 3rd Offense - Marshal at Arms will remove you from the meeting.

- The same protocol applies to the chat function. Keep chat appropriate, on topic and cordial. Inappropriate items include any files or attachments not directly on the agenda and discussed by voice.

- Offenses are counted as three total, whether by voice or chat.

- If these offenses happen for multiple meetings, a longer-term time-out may be issued.

19:01:54 From \*Kimberly Watling - Ottawa Michigan ASN to Everyone:  
    good evening everyone! Thank you for your time, talents and service  
tonight. hugs  
19:08:18 From \*Nicholas Kiciak/State Marshal-At-Arms to Everyone:  
    Meeting Protocol

As men and women on the land and soil of Michigan, we are called to act in honor at all times. During this meeting we are all expected to abide by the following protocol:

- Everyone please mute your microphones now if they are not already. Keep them muted unless you are speaking.

- We will follow the meeting agenda. If you wish for a topic to be added to the agenda for a future meeting, please email the coordinator.

- Assembly members will have an opportunity to speak at the appropriate time. Use the raise hand function and wait to be called on. Once called upon you will have three (3) minutes.

19:08:35 From \*Nicholas Kiciak/State Marshal-At-Arms to Everyone:

- Please be polite and courteous while speaking and keep comments focused solely on the topic at hand. This General Assembly meeting is not the appropriate forum to discuss personal issues.

- General Assembly members are marked with an asterisk (\*) before their name. Everyone else is a guest. Guests are welcome to observe but shall refrain from speaking and text chatting during these proceedings. An Outreach invitation will be offered at the end of the meeting.

19:08:55 From \*Nicholas Kiciak/State Marshal-At-Arms to Everyone:

If anyone speaks out of turn or over three (3) minutes, strays off topic or does not follow the meeting protocol, the following will happen:

- 1st Offense - Marshal at Arms will mute your microphone and give a warning.

- 2nd Offense - Marshal at Arms will mute your microphone and disable your video. You will not be acknowledged to speak for the remainder of the meeting.

- 3rd Offense - Marshal at Arms will remove you from the meeting.

- The same protocol applies to the chat function. Keep chat appropriate, on topic and cordial. Inappropriate items include any files or attachments not directly on the agenda and discussed by voice.

- Offenses are counted as three total, whether by voice or chat.

- If these offenses happen for multiple meetings, a longer-term time-out may be issued.
