General Assembly Meeting
7:00pm – 9:10pm

Welcome

Opening Prayer (Debra-Ann Garcia-Wagner)
Bivens Decision (Kenny Fisher)
Meeting Protocol (Kenny Fisher)

Reports

Treasury, by Mark Steinke

- Balance in accounts: **\$3,461.19**
- Summary: Treasury report shared (attached). Brief update on Anna's indemnity bond initiative. More info at [Private Indemnity Bond - The American States Assembly](#). The Treasury Committee agreed to share the unapproved Michigan Assembly *Treasury and Banking Guidelines* with the International Treasury Think Tank. Two proposals for the GA will be written up soon: 1) approve the *Treasury and Banking Guidelines* and 2) approve the sharing of documents and guidelines in general to other assemblies. Still waiting on the check from Teri Sahm for \$2014.23 to the Michigan Assembly for the 2023 and 2024 LRO distributions; Amy Hunt will ask about it at the next Sunday coordinator call if it doesn't arrive this next week. (Recording 00:05:40)

Records Committee, by Amy Hunt

- Summary: The Closed Captioning proposal will be voted on later in this meeting. This week's Records Committee meeting is rescheduled for Wednesday July 16th at 2pm. The "Announcements" section is on the first page when logging on to the GA member website. (Recording 00:11:02)

Education Committee, by Richard Saroni

- Summary: Clarified that the Education Committee meetings will be held when there is a need, not necessarily weekly. Explained what the Coral AI transcription service is (not software); Richard tried the "free trial" with his older computer system. It worked! He's purchased it himself to use for transcribing podcasts and webinars, and wants to explore whether his account is shareable. He plans to put together a proposal for the GA to see if the GA wants to own this sort of service; \$144.00/year. Explained the three websites being developed: public, ASNs on Michigan, and GA members. (Recording 00:12:42)

New Member Orientation, by Amy Hunt

- Summary: Our first new member orientation class was Saturday, July 12th at 1:00PM. New process is underway; no longer interviewing men and women. Shared how to sign up for the orientation class via the Michigan Assembly website: <https://mymichiganassembly.land/> => Education => Join The Michigan Assembly => Participate in The Michigan Assembly. There are questions to answer plus a form to fill out online, including selecting the date of the class you would like to attend. Nigel Turtle recommended updating old documents to reflect these new changes. (Recording 00:19:57)

Outreach/Freedom Guides, by Kimberly Watling

- Summary: Outreach: Shared an inspirational video on the home page of The Michigan Assembly website regarding our American Peace Flag. The International Outreach Think Tank meets this Wednesday at 7:30pm. The "Peace" proposal is being discussed in committee. Meet on Thursdays from Noon to 1:30pm. Freedom Guides: Meeting this Friday at 1:30pm (affirmed) and 2pm (open to all). (Recording 00:25:12)

Ombudsman, by Debra-Ann Garcia Wagner

- Summary: Shared an audio clip from Anna's coordinator call last Thursday July 10th about assemblies working together. Reported on three (3) informal requests for Ombudsman services this past week. (Recording 00:33:10)

Oversight, by Elsa Carpenter Peck

- Summary: Shared the preliminary Crime Allegation form in the chat which was recently reviewed by the Oversight Committee (also shared on the GA members website). Currently meeting every Thursday at 10:30am, working on guidelines and other forms. (Recording 00:50:40)

Peacekeepers on Michigan, by Kenny Fisher

- Summary: Thanked Michelle Gerard for providing the MAA office a protocol template for handling disruptive behavior. Read a proposal sent to the MAA from a sovereign, requesting the Removal of Ombudsman for Cause. Discussion followed regarding what to do with the proposal. Members of the GA suggested it move to the Oversight Committee. A vote was taken by a show of hands who agreed to send this proposal to the Oversight Committee, starting at time stamp 01:06:15 => 17 hands raised out of 22 members in attendance. The MAA also read an announcement he emailed to all GA members before the business meeting regarding the suspension of a GA member. Next meeting: August 5th at 4:00pm, same as "GA Tuesday". (Recording 00:52:27)

Vetting, by Rick Worden

- Summary: No report (Recording 01:09:55)

Information Technology & Communications, by Jan Buzard

- Summary: Working on a new version of the proposal form and it will be ready soon. Working on guidelines for Zoom meetings and how they are opened. This will be brought to the GA via proposal (Recording 01:10:20)

Jural Assembly Working Group, by Nigel Turtle

- Summary: Two weeks ago the group debriefed our first mock trial mentioned at the last GA business meeting. This week the group discussed wording of a disclaimer for the Litigation Committee, prompted by the concern that when the Litigation Committee offers support/advice to Michigan ASNs, they need to understand its coming from the Litigation Committee, and not endorsed by The Michigan Assembly. This discussion branched out to cover disclaimers and privacy policy in general regarding information from The Michigan Assembly. Meetings are weekly on Mondays at 4pm to 6pm. (Recording 01:10:58)

General Assembly Working Group, by Rick Worden

- Summary: Gave a presentation about the GA Guidelines, focusing on Decorum, to start the process of digesting the documents. The Decorum Guidelines are under the Militia Working Group on the GA member website. Offered some thoughts on "Self Govern" at time stamp 01:30:00. This includes understanding your personality type, which helps you understand yourself, others, and relationships. Some personality types get along well, others don't, but we still need to learn to work together. If interested, here are the websites to discover personality types, how they affect relationships and help each other work together better:

(Recording 01:15:12)

PKTF Liaison, by Kimberly Watling

- Summary: Reminded everyone of the PKTF official website <https://pktfnews.org/>. Currently on PKTF Liaison training break; starting back up on August 9th, 2025 at 7:30pm for 6-8 weeks. All are welcome to join! Special call out to all Sheriffs on Michigan to come on in and meet peacefully with the people of The Michigan Assembly. Elsa Carpenter Peck asked about the Militia Pillar, the role of the PKTF Liaison, and the *Peacekeepers on Michigan* role in The Michigan Assembly. Please listen to the recording for details (time stamp 01:50:25). There have been Militia-related groups out of Michigan in the past that have done a disservice to what the Militia actually is and does for men and women. To clarify: we are at peace, always have been, and intend to continue in peace, and to protect the people. Elsa suggested perhaps we call it the "Peacekeeping Militia" to help men and women understand this the precursor for the Militia Pillar. To all: please come to the *Peacekeepers on Michigan* meetings on "GA Tuesdays" at 4pm to continue the discussion. If you are interested in becoming a PKTF Liaison, please contact Kimberly, PKTF or the Coordinator; Michigan needs a total of three. (Recording 01:46:10)

Coordinator Updates, by Amy Hunt (recording 01:54:50)

- Sunday Coordinator meetings: Still working on the DRAFT of the updated “How To Build an Assembly” guide. It is posted on the GA member website.
- Indemnity Bond Process: Shared the TASA website link for Anna’s announcement: [Private Indemnity Bond - The American States Assembly](#). If this is important to you, please read the documents and listen to this portion of the recorded meeting (time stamp 01:55:22). Amy has asked the Treasury Committee to consider who can help with this process; Amy will be that “official” for the time being. The affirmation being signed is to affirm the man or woman is eligible. The Florida Assembly has offered a template which Amy edited for Michigan. Important: Anna states “lying about a need for an insurance claim is illegal and actionable” so this is only for men and women in dire need, like foreclosure.
- ASN Family Reunion September 3 – 8, 2025 at Putin Bay, Ohio. Contact Amy Hunt with questions.
- Still looking for a **Records Keeper**, **Records Committee Chair**, and a **Recording Secretary Chair**. **Outreach** is in need of a Committee Chair to replace Kimberly Watling so she can focus solely on PKTF Liaison. Please contact Kimberly or Amy if interested. Also looking for a **Timer** during GA meetings, to assist the Meeting Moderator and MAA with keeping conversations going and within respectful time limits.
- Meeting Moderator: Clarified that the Meeting Moderator does not have to be the Coordinator. If someone wants to volunteer to moderate the meeting, please contact Amy.

In Process Items

- **Use of Closed Captioning** (Amy Hunt, interim Records Committee Chair)
 - Proposal Designation: **GA-20250003** (Recording 02:02:00)
 - *Shall The Michigan Assembly approve the use of Closed Captioning transcriptions during any GA Business Meeting?*
 - Questions were considered at the last GA business meeting, clarifying this is not AI and has nothing to do with the Zoom AI Companion, nor artificial intelligence. If this is approved tonight, the implementation will be that at the beginning of every GA business meeting, once the recording has started, the Closed Captioning will be turned on. Each observer can click on “CC” or “show captions” if so desired.
 - Voted on this tonight. The proposal language was placed in the chat at ~ time stamp 02:04:35.
 - RESULTS from MAA: **YES = 16; NO = 1 PASSED**
- **The Michigan Assembly Declaration of Peace on Michigan State** (Kimberly Watling, Outreach Committee)
 - Proposal Designation: **GA-20250005** (Recording 02:07:25)
 - *Shall The Michigan Assembly “Affirm Peace” on Michigan State?*
 - This is currently in the Outreach Committee, discussing clarification of wording. Some of the proposal language has been updated on the GA member website under “In Process Proposals”. Meetings are Thursdays at NOON if you would like to participate in the discussions.

Meeting Protocol

As men and women on the land and soil of Michigan, we are called to act in honor at all times. During this meeting we are all expected to abide by the following protocol:

- Everyone please mute your microphones now if they are not already. Keep them muted unless you are speaking.

- We will follow the meeting agenda. If you wish for a topic to be added to the agenda for a future meeting, please email the coordinator.

- Assembly members will have an opportunity to speak at the appropriate time. Use the raise hand function and wait to be called on. Once called upon you will have three (3) minutes.

19:18:48 From *Kenny Fisher/MAA to Everyone:

- Please be polite and courteous while speaking and keep comments focused solely on the topic at hand. This General Assembly meeting is not the appropriate forum to discuss personal issues.

- General Assembly members are marked with an asterisk (*) before their name. Everyone else is a guest. Guests are welcome to observe but shall refrain from speaking and text chatting during these proceedings. An Outreach invitation will be offered at the end of the meeting.

19:19:29 From *Kenny Fisher/MAA to Everyone:

If anyone speaks out of turn or over three (3) minutes, strays off topic or does not follow the meeting protocol, the following will happen:

- 1st Offense – Marshal at Arms will mute your microphone and give a warning.

- 2nd Offense – Marshal at Arms will mute your microphone and disable your video. You will not be acknowledged to speak for the remainder of the meeting.

- 3rd Offense – Marshal at Arms will remove you from the meeting.

- The same protocol applies to the chat function. Keep chat appropriate, on topic and cordial. Inappropriate items include any files or attachments not directly on the agenda and discussed by voice.

- Offenses are counted as three total, whether by voice or chat.

- If these offenses happen for multiple meetings, a longer-term time-out may be issued.

20:11:01 From *René McGuigan - Michigan to Everyone:
In accordance with the principles of land and soil jurisdiction, every living man or woman is presumed innocent until proven guilty through proper due process. No action may be taken, nor judgment formed, without a verified complaint from an injured party. In the absence of such a complaint, there is no lawful basis to proceed.

20:11:51 From Cathie Beaudet to Everyone:
We don't use due process...that's definitely facto

20:12:11 From *René McGuigan - Michigan to Everyone:
No we definitely do. We are innocent until proven guilty

20:12:12 From Cathie Beaudet to Everyone:
De facto

20:12:43 From *René McGuigan - Michigan to Everyone:
Guilty until proven innocent is de facto thinking.

20:12:54 From Cathie Beaudet to Everyone:
We are, but we don't use due process according to Anna..last weeks coordinator call.

20:13:30 From *René McGuigan - Michigan to Everyone:

To presume guilt or impose an outcome before such a complaint exists is defamatory, coercive, and a violation of the right to self-governance and due process.

20:13:31 From Cathie Beaudet to Everyone:

Just want all to be on same page...♥

20:15:40 From *René McGuigan - Michigan to Everyone:

What has transpired up to this moment amounts to gaslighting – an attempt to distort reality, shift blame, and manufacture guilt where no verifiable complaint has been presented, for the record. To impose consequences or judgments in the absence of due process and lawful standing is not only defamatory but psychologically manipulative and damaging to the integrity of self-governance.

20:17:06 From Cathie Beaudet to Everyone:

I was only talking about the "due process"..nothing else...♥

20:19:51 From *René McGuigan - Michigan to Everyone:

If the people remain silent, they will find themselves once again under the weight of a de facto system – one that operates without true authority, without consent, and without accountability. Such systems do not honor self-governance; they replace it with control, coercion, and top-down dictates. Silence in the face of overreach is complicity. If the people do not speak up now, they forfeit the right to govern themselves and instead accept being ruled by those who presume power without rightful standing. Peace to you Cathie

20:21:34 From *Mark & *Linda Steinke, Alger County, Michigan to Everyone:

Nice ball glove, Rick!

20:24:16 From *René McGuigan - Michigan to Everyone:

In keeping with the spirit of transparency and accountability, I must point out a serious concern: I am the one who brought forward the original proposal for the Ombudsman's removal, supported by evidence. Now, I find myself being excluded from participation in the decision-making process related to that very matter. This raises a critical question. Is this exclusion by design?

I urge others to come forward with any additional facts or evidence. Please message me directly so that the full picture can be understood. When all voices are heard and all evidence is considered, the Assembly becomes stronger and more credible. We cannot allow important details to be overlooked or dismissed. Especially not when they pertain to the integrity of our process and our right to self-govern.

20:27:04 From *René McGuigan - Michigan to Everyone:

Whenever people are silenced, it becomes a serious issue. Not just for the individual, but for the integrity of the entire process. Censorship, whether overt or subtle, undermines transparency, accountability, and the right to self-govern. A truly lawful assembly must welcome open dialogue, even when it is uncomfortable, because truth and correction come through hearing all sides. Silencing dissent only breeds mistrust and weakens the foundation we claim to stand on.

20:27:46 From *Kenny Fisher/MAA to Everyone:

Replying to "In keeping with the spirit of transparency and acc...":

All voices will be heard. We don't presume guilt. These are two completely different incidences.

20:29:47 From *René McGuigan - Michigan to Everyone:

ick, why haven't you addressed the fact that Debra disrupted an Assembly meeting to publicly scold another member? That action was inappropriate, out of

order, and contrary to the role and responsibility of an Ombudsman. It's important that we not selectively enforce accountability. If we're going to address conduct, we must do so consistently – and that includes calling out disruptions and improper behavior, regardless of who commits them.

20:31:37 From *René McGuigan - Michigan to Everyone:

Claiming credit for having done a lot of the work, while downplaying the depth of indoctrination and how it operates within the group, seems like a serious oversight – even a potential downfall. The issue isn't just about workload or good intentions; it's about recognizing how deeply rooted behaviors and patterns can quietly undermine self-governance. Ignoring that reality only allows it to persist unchecked.

20:31:38 From *Kenny Fisher/MAA to Everyone:

That's enough Rene. This will be handled in committee. This is your first warning. Please stop.

20:32:19 From *René McGuigan - Michigan to Everyone:

Replying to "Night all! 🙏❤️":
good evening 🙏💛

20:39:43 From *René McGuigan - Michigan to Everyone:

There was a private meeting held without my knowledge or consent, during which my name and conduct were discussed inappropriately. That misuse of process created a false narrative about me – one that I had no opportunity to respond to. If you now choose to silence me, you risk not only violating the principles of transparency and fairness, but also alienating others who are watching closely. You may lose an audience that values truth, lawful process, and the right to be heard.

I understand. I just wanted to communicate to Rene that I believe the reconciliation meeting last week was open to all GA members, but I may be incorrect. Mark and I received a personal message from Debra-Ann. Initially Debra-Ann said the meeting would be open to anyone that wanted to attend. So Rene could have attended if she wanted.
