#### Reports

Treasury, by Mark Steinke

- Balance in accounts: **\$3,330.86**
- Summary: Treasury report shared (attached). A donation of \$700.00 was sent to Anna on September 29th via the ASN Secure website <https://asnsecure.com/DONATIONS.asp> from The Michigan Assembly. The Treasury Committee will be meeting twice a month for now on the 1<sup>st</sup> and 3<sup>rd</sup> Tuesdays at 10am, same day as the GA business meetings. Next meeting is October 21, 2025. (Recording 00:03:40)

Records Committee, by Amy Hunt

- Summary: No report due to no meetings (due to illness) since the last GA business meeting. The Records Committee's new schedule is the 2<sup>nd</sup> and 4<sup>th</sup> Mondays of the month at 1pm, with the next meeting on Monday October 13th at 1pm. Recording Secretaries meet on the 1<sup>st</sup> and 3<sup>rd</sup> Fridays at 1:30pm. (Recording 00:08:17)

Education Committee, by Richard Saroni

- Summary: Focusing on the Education portion of the public website during the break from Anna's podcasts. Requesting any constructive comments or recommendations on what's already out there to make the information clearer and better understood for new people learning about the fraud. (Recording 00:08:55)

New Member Orientation, by Amy Hunt

- Summary: The next New Member Orientation class is Monday October 13<sup>th</sup> at 7pm. For anyone interested in signing up for that go to <https://mymichiganassembly.land/>, click on **Education** and read through the sections under **Join the Michigan Assembly**. Next meeting: Thursday October 16<sup>th</sup> at 2:30pm; these meetings will occur monthly the week following the New Member Orientation class. (Recording 00:11:35)

Outreach/Freedom Guides, by Kimberly Watling

- Summary: Outreach: No report due to absence. Freedom Guides: No report due to absence. (Recording 00:13:00)

Peacekeepers on Michigan (Militia Working Group), by Kenny Fisher

- Summary: In Kenny's absence, Rick Worden reported that the committee met this afternoon and worked on Militia Guideline documents. Dolores Rubio-Fernandez suggested reaching out to the Ohio Assembly to share documents as they are updating their Militia guidelines. (Recording 00:14:20)

Vetting, by Rick Worden

- Summary: Vetting for one Recording Secretary and the PKTF Liaison continues. Interviews are being scheduled. The committee has agreed to vet candidates for roles before they are elected rather than afterwards as we have been doing. Our guidelines allow for this and this will be the process for future public elections. Only those who are nominated and accept a nomination will be vetted for a role if appropriate for that role. They are encouraged to participate in committee leadership, learn the job, and develop methods but will not have access to sensitive assets and info until after they are vetted. This does not include the current Recording Secretaries who have been in their roles and will be vetted soon. Next Vetting Committee meeting is Thursday November 6th at 9am. (Recording 00:15:47)

## Information Technology & Communications, by Jan Buzard

- Summary: Everyone who works on originals of committee minutes and documents please upload the originals to the GA member website; see Jan with any questions. The Ohio and Texas assemblies have developed an LRO database that is secure and almost ready to use. It is free but there are several options to getting started, including purchasing our own server and hardware; still discussing options. In order to have our own Michigan LRO we need someone to dedicate themselves to it full-time, so if anyone is interested or knows of a “technical whiz” bring them on in please. The IT committee meetings are on the 1<sup>st</sup> and 3<sup>rd</sup> Fridays of the month at 4pm. The next meeting is Friday October 17<sup>th</sup>. (Recording 00:17:30)

## Jural Assembly Working Group, by Nigel Turtle

- Summary: Two new proposals for disclaimers will be presented later in the meeting. Looking at key principles for land and soil court processes, along with due process, and establishing jurisdiction and evidence. First elaborating ideas verbally in a written document, with work flow and visual diagrams to follow later. Also continue looking at roles of the Jural Assembly and courts. Rick Worden shared that he and Jan Buzard are attending Ohio's Grand Jury training on Sundays with others in the Postal Area Four court. They are using Brent Allen Winters videos which are reasonably priced and perhaps an option for The Michigan Assembly to consider. Meetings are weekly on Mondays from 4pm to 6pm. (Recording 00:22:03)

## General Assembly Working Group, by Rick Worden

- Summary: Last week the GA Working Group addressed Rene McGuigan's concerns that she had. Continue to work on GA Guideline documents. Meet Wednesdays at 4pm. (Recording 00:26:35)

## PKTF Liaison, by Kimberly Watling

- Summary: Amy Kendall reported that the PKTF is looking for people to become first responders. Michigan is doing really well. Some states are setting up their Sheriffs, like Florida. D10 radio training is available via a video that has been uploaded on the Announcements page of the GA member website (September 27, 2025). (Recording 00:27:05)

## Coordinator Updates, by Amy Hunt (recording 00:29:08)

- How we do proposals and how things end up on the agenda for the GA business meeting: The current meeting protocol read by the MAA at the beginning of the GA business meeting says to email ideas and topics to the Coordinator (written 1 ½ yrs ago). The Peacekeepers Committee have been working on updating Decorum guidelines, with a couple prototypes presented to the GA, but those guidelines are back in committee for more discussion. The GA Working Group has been working on the work flow for proposals, including guidelines of how ideas come to committees, and those ideas may get turned into proposals. The proposals are written by the chair and/or committee and presented by the committee to be put on the agenda. If you have an idea, bring those to a committee to discuss. If you aren't sure which committee, talk with Amy Hunt to figure it out. If you have ideas for the proposal process, bring those ideas to the GA Working Group on Wednesdays at 4pm.

## In Process Items

- **The Michigan Assembly Affirmation to Uphold Peace on Michigan Nation State** (Outreach Committee)
  - Proposal Designation: **GA-20250005** (Recording 00:31:15)
  - *Shall The Michigan Assembly Affirm to Uphold Peace on Michigan Nation State?*
  - No discussion due to absence of the committee chair.
- **Treasury and Banking Guidelines** (Mark Steinke, Treasurer)
  - Proposal Designation: **GA-20250008** (Recording 00:31:41)
  - *Shall The Michigan General Assembly approve “2b Treasury and Banking Guidelines”?*
  - The Treasurer went through the changes made on the updated guidelines from the September 23<sup>rd</sup> committee meeting. A new question was asked about what happens when the maximum balance is reached in the bank account. Is it accurate that once that maximum balance is met, will cash be withdrawn? If that happens, what are we going to do? Who will hold that and what security is in place? The Treasury Committee will further discuss this question in committee.
  - This proposal will remain on the agenda for future consideration of the updated guidelines.

## New Items

- **Disclaimer - Short Form** (Nigel Turtle, Jural Assembly Working Group)
  - Proposal Designation: **JA-20250009** (Recording 00:42:22)
    - *Shall the Michigan General Assembly adopt the short form Disclaimer attached in this proposal for reading as part of the meeting protocol in GA Public Meetings and GA Business Meetings?*
    - Nigel Turtle read through the proposal and the short form disclaimer.
    - This short form disclaimer would be integrated into the meeting protocol for the GA business meeting; for example at the beginning of the meeting, along with the Bivens reading.
- **Disclaimer - Long Form** (Nigel Turtle, Jural Assembly Working Group)
  - Proposal Designation: **JA-20250010** (Recording 00:53:05)
    - *Shall the Michigan General Assembly adopt the long form Disclaimer attached in this proposal for use in public meetings organized by the Litigation Committee?*
    - Nigel Turtle read through the proposal and the long form disclaimer.
    - This long form disclaimer would be integrated into the meeting protocol for the International Litigation meetings; for example at the beginning of the meeting, along with the Bivens reading.
    - A question was asked about including specific wording regarding not allowing the solicitation of services or business from The Michigan Assembly, similar to what's in the short form. This will be discussed back in committee.
- **Zoom Guidelines** (Jan Buzard, IT/Communications and Education Committees)
  - Proposal Designation: **GA-20250011** (Recording 01:12:12)
    - *Should the GA adopt the attached Zoom Guidelines?*
    - Jan Buzard read through the proposal and the new Zoom guidelines which were updated on October 3rd.
    - The use of cameras while speaking was mentioned; this is more of a decorum issue and is recommended to be discussed in the Peacekeepers committee.
    - The GA Working Group requested to discuss these Zoom guidelines during the GAWG meeting tomorrow, Wednesday October 8<sup>th</sup>.
- **Dealing with Rene McGuigan's Disruptive Behavior** (Amy Hunt, Coordinator) (Recording 01:23:35)
  - This item is no longer applicable and is withdrawn.
  - Last Wednesday, October 1<sup>st</sup>, during the GA Working Group, Rene McGuigan withdrew from The Michigan Assembly. Ten or more assembly members were present to witness. Thank you, Rene, for your service to the people of Michigan. We wish you the very best.
