#### Coordinator Updates, by Amy Hunt (recording 00:33:40)

- Question to Anna – Can someone on public assistance become an ASN?: There is information on the TASA website that says “no” but other information circulating stating they can accept benefits but it would be considered a “conflict of interest” and they would not be eligible to serve in an elected position within the Assembly. So Amy asked Anna whether people on dependency assistance programs (food stamps, Medicaid or other government assistance) can still correct their status. **The answer is YES!** Please listen to the recording for Anna’s exact words (00:34:38). Anna didn’t specify about elected positions, but Amy believes they wouldn’t be able to serve in an elected position on the Assembly.
- Getting our courts up and running – If interested please volunteer for a role for our courts. You don’t need to know all about the role initially; find out more, explore and share with the rest of the Assembly. We are learning together.
- Coordinator’s focus: Fielding inquires and they are ramping up! Lots of people are interested in correcting their status. Assigning Freedom Guides and Recording Secretaries to those who need them. Maintaining communication with new members to help them find committees where they can help. Within the Assembly, focusing on the Records Committee, Recording Secretaries, and New Member Orientation.

2025-11-04 19:06:33 From \*Kenny Fisher/MAA to Everyone:

2025-11-04 19:07:11 From \*Kenny Fisher/MAA to Everyone:

If anyone speaks out of turn or over three (3) minutes, strays off topic or does not follow the meeting protocol, the following will happen:

- 1st Offense – Marshal at Arms will mute your microphone and give a warning.
- 2nd Offense – Marshal at Arms will mute your microphone and disable your video. You will not be acknowledged to speak for the remainder of the meeting.
