The Michigan Assembly Proposal

Designation GA-20250013

Providing a free option for Recording and Publishing of Status Correction paperwork

Proposal Information

Proposal Question: Shall we offer free Recording and Publishing of status correction paperwork if someone autographs an Affirmation of Intent?

Describe how this proposal serves and/or protects the people on Michigan:

This proposal hits the root of how we serve and protect the people. Freedom should not cost money or engage commerce! Nobody should have to pay to come home. We would still have the three payment options (\$10, \$5, \$3 for the 1779 package as an example), but we would add two additional options:

- 1) Enter your own amount (think BIG donations!)
- 2) Free!

For the protection of The Michigan Assembly, we would require anyone who chooses the free option to complete an Affirmation of Intent. This will prevent any claims of coercion while at the same time not requiring any unnecessary fees.

These new options would be available for all parts of status correction: 1779 Package, 928 Package, Letters Package. These options would not apply to Baby Deeds or Marriage documents because any wo/man can upload these documents themselves to the LRO for free already.

Summary and/or Link(s) to Relevant Document(s):

The monies currently allocated for the Pay it Forward program would have to be discussed and the assembly would ultimately need to decide what to do with it. That would be in a separate proposal.

History

Date Initially Written: October 24, 2025

Initiated by: Amy Hunt

Origination Details:

This was originally brought forward a very long time ago by Kimberly Watling with her “Pay it forward” idea. At the time it was not brought forward because of concerns of having people’s intention on the record and having money on the line is a way of knowing someone’s intent. Now, we have added the Affirmation of Intent, which takes care of those past concerns.

Committees Consulted and their Input:

Need to consult Treasury. This requires no expenses, but may impact donations. Some may not donate anything, while others may be grateful and make a larger donation.

Dissenting Voices of Men and Women:

None yet

Notes/Timeline:

October 24, 2025.00 – Wrote this proposal and completed the Affirmation of Intent.
