Coach's Corner, by Rick Worden (Recording 00:24:15)

- Recommends listening to Anna and Lisa's Tuesday podcast "*America – Some Assembly Required*" – Episode 59 (December 23, 2025) <https://www.youtube.com/watch?v=aQJGdSz-0xQ>. There are three states standing: Ohio, Virginia and Tennessee. Ohio has been standing for a year and a half, and Lisa implied that Virginia and Tennessee have followed their lead. Michigan has tried that as well. It is always wise to follow success. Ohio established committees and got to work; later they picked their chairs from those committees. Lisa said that those assemblies that selected chairs early in committees have not been successful in standing. Michigan has tried that route and has struggled. This podcast came after the Michigan GA Working Group made changes to focus on committees and d-emphasize chairs. Lisa's comments confirm the direction Michigan is headed in.

In Process Items

- **Disclaimer - Long Form** (Nigel Turtle, Jural Assembly Working Group)
 - Proposal Designation: **JA-20250010** (Recording 00:28:15)
 - *Shall the Michigan General Assembly adopt the long form Disclaimer attached in this proposal for use in public meetings organized by the Litigation Committee?*
 - No update this week. This proposal will remain on the agenda until the long form disclaimer gets worked into the Decorum Guidelines.
- **Elections for Court Roles** (Nigel Turtle, JA Working Group)
 - [Time stamp 00:28:45]
 - Those who have been recently elected for Court Roles (Justice, Court Clerk, Bondsman and Court Recorder) will now go through Vetting. Invitations for vetting have been sent to those men and women.

New Items

- **Elections for General Assembly Roles** (Rick Worden, Coordinator)
 - [Time stamp 00:29:45]
 - Rick offered his opinion that the Assembly should get our committees going and get them producing work and wait to see who naturally leads those committees before anyone is elected as a chair or into an office. Let the committees recommend to the GA who they believe would be good for a role. The Vetting Committee is well established having the advantage of being trained by the Continental Marshals and has a

lot of work to do. Those aspiring to become a chair of the Vetting Committee should join that committee, learn how it works and ultimately be recommended from that committee. Same with the Marshal-At-Arms (MAA) – people interested in that area should meet, get organized and get some work done. The Michigan Assembly has been operating for a year and a half without a Decorum statement or guidelines. This must be defined and written down and agreed on so the MAA knows how to do their job. The Ohio Assembly did this early on and got their Assembly to at least acknowledge their decorum. The Michigan Assembly went about things differently and got people into roles without really knowing what those roles were. Not anyone's fault, just what we did – let's learn from that and continue forward. Vetting, Marshal-At-Arms (office), Ombudsman (office) and Oversight need filled and there's more.

- At time stamp 00:32:15 the floor was open to the GA to hear members' opinions on this topic. Please listen to the recording for the details. Lots of positive response.
- Questions about the Marshal-At-Arms office, the definition of decorum, and a time-slot for those interested in the Ombudsman service were answered.
- Working through the logistics of minute taking, uploading minutes to the website, spokesman for committees, and who is considered a "member or guest" were discussed.
- Committee meetings are scheduled and can be found on the GA member website. Pick a committee (or two or three) and get involved!
- The Jural Assembly process for the Courts will continue as planned.
- This item will remain on the agenda as "in process" going forward and will update as we go.
