

The Michigan Assembly General Assembly Meeting Minutes

Date: February 17, 2026

General Assembly Meeting

7:00pm – 9:01pm

Welcome

- Opening Prayer (Bob (troy) Brown)
- Bivens Decision (Bob (troy) Brown)
- Meeting Protocol (Bob (troy) Brown)

Reports

Treasury

- Balance in accounts: **\$6,287.58**
- Summary: Treasury report shared (attached). The committee put together a list of questions for Anna regarding our Prosperity Centers and GFG. Mark Steinke read the list of questions to the GA. The list is also in the MOM (minutes of meeting) from today's committee meeting. Rick Worden will send these questions to the Federation. If people have questions about these topics please send them to the Treasury Committee via email. Next regular meeting: Tuesday, March 3rd at 10AM. (Recording 00:04:50)

Records

- Summary: No report. Next meeting Monday February 23rd, 2026 at 1pm. (Recording 00:15:03)

Recording Secretaries

- Summary: The committee voted to have **three levels of Recording Secretaries**, replacing the Freedom Guides with *Level One* which is initial contact with people. All Assembly members are considered at *Level One*, as we talk with people and lead them towards changing their status. *Level Two* includes access to stamps and seals as you help record their documents. *Level Three* requires vetting because of access to uploading documents to the LRO. The goal is to streamline the process. Meetings are weekly at the moment at 1:30pm on Fridays. (Recording 00:15:20)

Education

- Summary: Richard Saroni presented a lot of information he has collected over the years. Topics included Dunns numbers, filing liens over the years, and why we do paperwork. Gave an example of the deception found in words like *believe* and *lien*. Be careful of your use of the word "believe" because it isn't always the truth; you need evidence for truth. Referenced Anna's article #5747 about thought crimes or political correctness issues; we need to be careful how we do things. Next meeting: Monday, March 2nd at 1pm. (Recording 00:20:52)

New Member Orientation

- Summary: Please welcome Fredrick Minamyler and Patrick Gay to the Assembly!!! Fredrick was present and gave a brief introduction. The next New Member Orientation is **Saturday, March 14th at 1pm**. Current Assembly members are welcome and encouraged to attend. Reminder on how to sign up for orientation: <https://mymichiganassembly.land/>, click on **Education** and read through the sections under **Join the Michigan Assembly**. The meeting link for current members is on the GA Member's website on the Meeting page, bottom left corner. Next Orientation meeting is Thursday February 19th at 1pm. (Recording 00:37:33)

Events and Outreach

- Summary: The next "in person" gathering is scheduled for February 28th with location discussed during the meeting (Oxford, Lansing or Ann Arbor). The committee will decide on Thursday February 19th and announce to the Assembly. Reminder of the "Events" tab on the GA member website (far right on the bottom ribbon). The "Mitten Homesteaders Conference" at Lake Odessa is also coming on May 29th and 30th, 2026 for those interested. Events and Outreach meets weekly at NOON on Thursdays. (Recording 00:41:55)

Ombudsman Committee

- Summary: At the last meeting we went through some mediation scenarios from a business point of view. The Ombudsman Committee is available for assembly matters, such as unresolved issues with committees or other assembly members, to help people process and determine for themselves if they need further mediation. The Ombudsman Committee is meeting weekly on Mondays at 9am. (Recording 00:50:20)

Information Technology & Communications

- Summary: No report. Jan Buzard is on vacation. (Recording 00:52:45)

Vetting

- Summary: Vetting activities are tabled and postponed so there is no report. Nigel Turtle voiced his concern regarding how long vetting activities will be postponed since the JAWG has one court role (Coroner) in the pipeline for vetting. Rick Worden referred to the January 28th announcement on the GA member website. The GA as a whole needs to agree how we are going to do things. Due process needs to be clearly understood by all Assembly members along with being familiar with expectations of Member's roles. (Recording 00:53:00)

Elections

- Summary: The committee is working on roles and guidelines. We meet weekly on Wednesdays at 4pm. (Recording 00:56:30)

General Assembly Working Group (GAWG)

- Summary: The group agreed that the way into the Assembly is through New Member Orientation which is currently offered once a month. The Affirmation Master document was refined in committee and will be discussed later in this meeting. The next meeting is Wednesday February 18th at 5pm. (Recording 00:57:22)

Jural Assembly Working Group (JAWG)

- Summary: Continue to work on our court process. Meetings are weekly on Mondays at 4pm; Law Education starts at 5pm. (Recording 00:58:15)

Militia Working Group (MWG)

- Summary: Still looking for people to take on the organization of the Militia Pillar. (Recording 00:58:52)

International Business Assembly Working Group (IBAWG)

- Summary: We will present a proposal later in the meeting regarding the "*International Technology Sharing Treaty*" from the Texas Assembly. This is for sharing technology for a Land Recording Office (LRO) on Michigan. (Recording 00:59:45)

Coach's Corner, by Rick Worden (Recording 01:01:40)

- No report tonight.

In Process Items

- **Disclaimer - Long Form** (Nigel Turtle, Jural Assembly Working Group)
 - Proposal Designation: **JA-20250010** (Recording 01:01:50)
 - *Shall the Michigan General Assembly adopt the long form Disclaimer attached in this proposal for use in public meetings organized by the Litigation Committee?*
 - Still in a holding pattern. Decorum Guidelines are being discussed in the GA Working Group. The long-form disclaimer will be used for Litigation Committee purposes once that is re-established.
- **Elections for Court Roles** (Nigel Turtle, JA Working Group)
 - [Time stamp 01:03:00]
 - The Coroner is still in process, waiting on vetting, then Q/A.
- **Elections for General Assembly Roles** (Rick Worden, Coordinator)
 - [Time stamp 01:05:05]
 - This proposal is on hold for the same reasons as the Vetting Committee.

- **GA General Assembly Affirmation - Revised** (Nigel Turtle, GA Working Group)
 - [Time stamp 01:05:23]
 - Proposal Designation: **GA-20250018**
 - *Shall the Michigan General Assembly adopt the revised Affirmation attached in this proposal for all members accepting offices and roles in the General Assembly?*
 - The revised Affirmation was shared on the screen and changes made in the fifth paragraph were read.
 - A question on whether the GA has “guidelines for conduct” (i.e. decorum) finalized was brought forward, with the concern that signing this affirmation before those guidelines are complete is not wise. The GA has been operating with the *California Decorum* guidelines adopted as an “emergency decorum” on October 15, 2024 and is still working on our own decorum guidelines. Other comments: 1) the word “conduct” needs to be defined; 2) the Affirmation shouldn’t move forward until Decorum guidelines are adopted.
 - By a show of hands, the GA agreed to send the Affirmation back to the GA Working Group. (time 01:15:45)
 - Decorum guidelines and the Affirmation are both being discussed in the GA Working Group. Please either come to that meeting or email suggestions to those who attend regularly so we can get them both right.

- **2026 GA Committee Budgets** (Mark Steinke, Treasury Committee)
 - [Time stamp 01:25:20]
 - Proposal Designation: **GA-20260019**
 - *Shall The Michigan Assembly approve spending \$6,189.48 (estimated) for committee needs in the first four months of the year (through April)?*
 - The Treasurer reviewed the first page of the proposal. The proposal and budget spreadsheet was shared in its entirety at the previous GA business meeting on February 3, 2026. There were no questions so the GA was asked to vote on this proposal tonight.
 - [Time stamp 01:26:55] The moderator called for the vote. Administrative house keeping delayed the vote.
 - [Time stamp 01:32:00] Bob (troy) Brown (interim MAA) directed the Roll Call vote. Mary Klukowski assisted with the vote tally. The GA waited for the results to be reported.
 - **RESULTS from interim MAA: YES = 19 NO = 0 PASSED** [0 Present, 38 Not Present]

New Items

- **International Technology Sharing Treaty** (IBA Working Group and IT/Communications)
 - [Time stamp 01:41:45]
 - Proposal Designation: **IBA-20260020** [Note: the proposal number in the agenda for this meeting is incorrect]
 - *Shall the Michigan International Business Assembly enter into an agreement with The Texas Assembly to share technology so that The Michigan Assembly can establish our State LRO?*
 - Mark Steinke, spokesman for the IBA Working Group, read through the proposal and the treaty.
 - The GA discussed the proposal and offered questions and concerns both by voice and in the chat (attached).
 - Questions and comments voiced: Logistics of how this (a treaty) comes about. We are newbies. Are we getting advice from the Federation about how we do treaties? Looking for guidance on how we do a treaty. Can our LRO be changed and modified to suit our needs? It would be nice if all the states can work together on this. This treaty came from the template that Ohio used with Texas. Concerns that its very general and broad and doesn’t mention the LRO in the treaty. Does this mean “all things technology” going forward? Do we need a brick and mortar to house all the stuff for the LRO? It will include the ability to make our own credential cards.
 - Jan Buzard has shared a video during the last couple IT meetings of the actual LROs that Texas and Ohio have developed. Can we share the video shown at the IT meeting with the GA as a whole?
 - The IBA Working Group will continue to review the treaty in committee. We meet on Thursdays at 4pm. Please attend or send questions or concerns to Mark Steinke.

18:57:42 From *René Marie to Everyone:

Hi Rick,

I just wanted to touch base before the meeting tonight. Based on Anna's written response to my email, reinstatement after time served is immediate and full, and in my case there was no formal time-out issued. It's possible you haven't had time to respond to my prior email, so I wanted to check in directly and make sure we're aligned before the business meeting.

Thank you.
