

The Michigan Assembly General Assembly Meeting Minutes

Date: May 19, 2026

General Assembly Meeting

7:00pm – 8:00pm

Welcome

- Word of Encouragement (Bob (troy) Brown)
- Bivens Decision (Bob (troy) Brown)
- Meeting Protocol (Bob (troy) Brown)

Reports

Treasury

- Balance in accounts: **\$6,107.63**
- Summary: Treasury report shared (attached). The requisition and expense forms will be available soon via a document generator on the members-only website. These will assist committees in obtaining approved funds and obtaining reimbursements for expenses incurred for assembly business. Next meeting: Tuesday, June 2nd at 10AM. (Recording 00:05:15)

Records

- Summary: Working on file naming conventions. Vote tally proposal to be discussed later in this meeting. Next meeting: Monday May 25th, 2026 at 1pm (may cancel due to Memorial Day). (Recording 00:08:10)

Recording Secretaries

- Summary: No meeting last week. Couple questions are out to the Federation for approval: Baby deed and Witness Testimony documents. Still auditing the Land Recording Office (LRO). Half of the records were audited last year of “in process” records, but didn’t complete for all ASNs. Updating recording secretaries and coordinator. Question from the MAWG was asked about census information (numbers per county) requested by the PKTF Liaison. This needs to go to the Federation for clarification. We need to honor the ASNs on Michigan who have indicated in their record that they want to remain private. Will discuss at the next committee meeting. Next meeting: Friday May 22nd. (Recording 00:08:45)

Education

- Summary: Keeping up with the glossary and articles. Hope to get more information for the public website. Anticipating an upgrade to the archive computer. Next meeting: Wednesday, May 20th at 1pm. (Recording 00:15:38)

New Member Orientation

- Summary: There was no class on May 9th. The next New Member Orientation is **Monday, June 8th at 7pm**. To sign up, please go to <https://mymichiganassembly.land/> click on *Education* and *Join The Michigan Assembly*. Go through the educational modules and fill out the form to join the next class. The committee is working on simplifying the presentation and handouts for new members. Next meeting: Thursday May 21st at 1pm. (Recording 00:16:57)

Events and Outreach

- Summary: Next event: The *Mitten Homesteaders* event is happening May 29th and 30th in Lake Odessa. Please contact Dolores Rubio-Fernandez if interested in attending. <https://www.mittenhomesteaders.com/> We are re-purposing old fliers updated with our new logo. We are going there as “Friends of Michigan History” to educate homesteaders who are very open to our information. This is our third year. Last year we took two books: “*The Boy Governor*” and “*The First Michigan Constitution*” which peaked people’s curiosity. (Recording 00:18:32)

Information Technology & Communications

- Summary: A committee member suggested changing from Zoom to WebEx. We will be discussing this at the next meeting. Next meeting: Friday May 22nd, 2026 at 4pm. (Recording 00:23:25)

Vetting

- Summary: Five people are in different stages of vetting with our committee, along with an additional man being vetted by the Continental Marshals. There was a discussion about licensing which keeps people on the defacto side and limits their ability to fill roles on the assembly; please listen to the recording for details. Next meeting: Thursday June 4th, 2026 at 9am. (Recording 00:23:55)

Elections

- Summary: No report. Next meeting: July 1st, 2026 at 9am. (Recording 00:30:33)

Sessions

- Summary: No report. Next meeting: July 1st, 2026 at 9am. (Recording 00:30:33)

General Assembly Working Group (GAWG)

- Summary: Continue to work on guidelines. Figuring out how to run the various aspects of a state assembly is the core mission of the “assembling phase”. We must learn what to do and write it down so everyone knows how to do the work. We write guidelines and not standard operating procedures. *From Anna: “We are simple and not creating a bureaucracy like the system we left”.* We still need to write things down so we have a basis for what we do and new people can easily learn what we do. It’s not for everyone, but the sooner we get it done the sooner we stand and can do our work as a government. Next meeting: Wednesday May 20th at 5pm. (Recording 00:31:35)

Jural Assembly Working Group (JAWG)

- Summary: Two accomplishments:
1) **Jury Pool Affirmation** TEMPLATES (both Word and LibreOffice) are available on the members-only website along with a document generator for the affirmation as a third option. Instructions will be included. At the next Jury Pool Committee meeting, those on the committee will be doing their affirmations.
2) We have reached out to Lisa Schaffer on Ohio to come to our next JAWG meeting on Monday June 1st to discuss Ohio’s court documents. If we decide to we can adopt them rather than reinvent the wheel. *All interested assembly members please attend!*
The **JA Working Group** meetings are weekly on Mondays at 4pm; **Law Education** starts at 5pm. The **Jury Pool Committee** meets on the 2nd and 4th Tuesdays of the month at 7pm; next meeting is May 26th. (Recording 00:33:10)

Militia Assembly Working Group (MAWG)

- Summary: Good meeting today! The PKTF Liaison visited and reviewed radios for the group. We are working on committees, volunteers and guidelines. There is a survey on the members-only website for assemblymen to vote on the Militia patch logo. Discussed a public survey so the people on Michigan can vote! Next meeting: Tuesday May 26th at 4pm. (Recording 00:39:35)

International Business Assembly Working Group (IBAWG)

- Summary: We met on May 6th and May 13th. We are finalizing the maturity assessment presentation to show to the GA on June 2nd. We are also working on guidelines. Reminder that once the IBA is seated each member must be either an ASC or ASC-eligible. This involves status correction (become an American State National) and those who become American State Citizens (ASC) do not have dual citizenship, for example obligations to other governments and jurisdictions. Long term, the IBA works with the defacto. (Recording 00:45:08)

Coach’s Corner, by Rick Worden (Recording 00:49:00)

- Personal Demand Letters: Anna offered a template and instructions for ASNs to assert their personal claims to non-citizen status. The details are in articles #5833 and #5834. This is not about status correction but it does notify the relatively new Trump Administration of our own personal status. It is not directly assembly business but it does protect the assembly by protecting the people who are part of the assembly. For each assembly member to consider.

In Process Items

- **Disclaimer - Long Form** (Nigel Turtle, Jural Assembly Working Group)
 - Proposal Designation: **JA-20250010** (Recording 00:50:40)
 - *Shall the Michigan General Assembly adopt the long form Disclaimer attached in this proposal for use in public meetings organized by the Litigation Committee?*
 - An announcement is posted on the member-only website explaining where to find the second revision and the updated proposal so people can read both as a refresher.
 - We will be voting on this at the next GA business meeting on June 2nd, 2026.
- **Elections for Court Roles** (Nigel Turtle, JA Working Group)
 - Vetting continues. Still looking for volunteers for court roles needing to be filled, especially Court Clerk. Several roles need filled. (Recording 00:52:15)
- **Elections for General Assembly Roles** (Rick Worden, Coordinator)
 - Marshal At Arms: Bob (troy) Brown updated the GA about his training: the first training was last Friday and will continue for four more weeks. Bob has learned he can no longer be a part of the IBA or Jural Assembly. The document he was working on for the IBA can be forwarded to Nigel and perhaps he can bring it to the IBA as a Jural Assembly contribution. Anna wants to see changes in the assemblies so requesting Lisa Schaffer and Paul Pappas to do the training to get people up to speed as soon as possible.
 - Assembly Militia Coordinator: Fred Minamyers vetting is also in process and going well. (Recording 00:53:20)
- **Coordinator Team** (GA Working Group)
 - Proposal Designation: **GA-20260023** [Time stamp 00:57:40]
 - *Shall The Michigan Assembly rescind the one coordinator limit and the coordinator contingency plan and ask for volunteers to be additional coordinators so that there is a team to work together in building the four Pillars?*
 - Still in committee. Anyone interested in this proposal please come to the meeting to contribute.
- **Vote Tally System** (Records Committee)
 - Proposal Designation: **GA-20260026** [Time stamp 00:58:10]
 - *Shall The Michigan Assembly use an online vote tally system when voting on proposals and other elections during GA business meetings?*
 - Bob and Jan came up with a way to show the voting in “real time” on the screen during a GA meeting. This will be demonstrated the next time the GA has something to vote on.

New Items

- None this week
