Reports

Treasury

- Balance in accounts: **\$4,823.59**
- Summary: Treasury report shared (attached). The committee is looking for more signatories, preferably one from each pillar. Questions about the role of a signatory including requirements (vetting and affirmation) were discussed. Next meeting: Tuesday, October 6th at 10AM. (Recording 00:06:05)

Records

- Summary: At the last meeting on August 24th, we discussed several items. Bob (troy) Brown as Recording Secretary was present. The International Technology Sharing Treaty with Texas is back with us; two wet ink copies are with Mark Steinke. A couple proposals were written between pillars: 1) Records to IBAWG for a potential treaty between states when sharing documents and 2) Records to GAWG regarding maintaining a consistent name for The Michigan Assembly Unincorporated across all platforms. Richard Saroni's computer will be upgraded soon for more electronic records. Next meeting: Monday September 28, 2026 at 1pm. (Recording 00:21:10)

Recording Secretaries

- Summary: Lots of activity in helping men and women to the Land and soil. Dolores Rubio-Fernandez recently helped 12 new people and is encouraging those interested to join the Assembly via the New Member Orientation. Thank you Dolores! Mary Klukowski gave a summary of her work on Kent County. All Recording Secretary records stay with the Recording Secretaries. A telegram channel has been established for Recording Secretaries on Michigan along with new people working on changing their status. This has helped reduce the number of questions Bob was getting and is helping streamline the process. Next meeting: Friday September 4th at 2:00pm. (Recording 00:23:54)

Education

- Summary: Suggested using the glossary for ideas and information for the ASN website. More on that during the IT report. Next meeting: Wednesday, September 2nd at 1:00PM. (Recording 00:29:09)

Events and Outreach

- Summary: There was a "Meet the Family" event last Saturday for ASNs where a small group congregated; some drove a couple hours to meet so that was appreciated. More events are being planned for September and October. The Study Group on Monday evenings at 7pm is underway with 19 people attending last week! A calendar of scheduled study topics is posted on Telegram. Next meeting: Thursday, September 3rd at Noon. (Recording 00:30:50)

New Member Orientation

- Summary: The next New Member Orientation is **Monday, September 21st at 7pm**. For those interested in joining the Assembly please go to <https://mymichiganassembly.land/> click on *Education* and *Join The Michigan Assembly*. Go through the educational modules and fill out the form to join the next class. Next meeting: Thursday September 24th at 1:30pm. (Recording 00:32:55)

Information Technology

- Summary: Nothing new to report for IT. The ASN Website IT Sub-committee is working on the ASN website. This website will provide a connection for all ASNs on Michigan who are not assemblymen to The Michigan Assembly, their republican form of government. The cover page has subtitles: "Self study", "How to....", "Videos", "Resources", "Members" and "Meetings". The list of topics for the ASN website is included with these minutes. If you would like to contribute, please join the ASN Website IT Sub-committee meetings on the 2nd and 4th Wednesdays at 1pm or email Jan Buzard with your ideas and contributions. Next IT meeting: to be announced. (Recording 00:33:57)

Vetting

- Summary: No report. Next meeting: Thursday September 3rd at 9am. (Recording 00:44:38)

Coach's Corner, by Rick Worden (Recording 00:51:15)

- Update from the Marshal At Arms: Bob (troy) Brown took this time slot to report on a few items from the Marshal-at-Arms:
 - 1) The former website for The Michigan Assembly was causing harm to a few ASNs on The Michigan Assembly. The website was renewed by the previous owner earlier this year. A couple notices were sent to "Go Daddy" regarding the content of the website, with little progress. At this point the MAA decided to start the administrative process. In the meantime, a man approached the IT Chair about assisting with a server for Michigan's future LRO. During conversations, the man confided that he was the owner of the previous website's domain, and after the MAA described the harm its caused to several assembly members the man agreed to remove the harmful content. This has been done and is considered a "win" for The Michigan Assembly. If anyone was harmed by the content of that website please contact the Marshal-at-Arms.
 - 2) An explanation was provided for what happened during the GA Working Group meeting on Wednesday August 26, 2026. An email will be going out to attendees of that meeting. Please listen to the recording for details.
- Militia pillar update: Cyn Walleman offered information she has been collecting from the "America, Some Assembly Required" podcast. A PDF will be provided to the Militia Assembly Working Group next Tuesday.

- Donations from book sales: Dolores Rubio-Fernandez shared that books donated from Dee Overly's collection are being purchased by ASNs. The funds from those purchases will be donated to The Michigan Assembly.
