Designation GA-20260042
Recording Secretary Zoom Account

Proposal Information

Proposal Question: Shall The Michigan Assembly add Zoom users to Recording Secretary Zoom account?

Origination Details:

The email account: waynecountyrecordingsecretary@gmail.com was gifted at creation to The Michigan Assembly. This was done to keep transparency with responsibilities and obligations that Bob (troy) Brown was volunteering to do. Litigation and Recording Secretary. This email account is also associated with a zoom account that Bob (troy) Brown has funded since its inception.
We currently have 4 recording secretaries and a unaffirmed volunteer. We would like to add users to the existing account. This account is funded until August 2027. Bob (troy) Brown gracefully declines any reimbursement for the prior years.

Describe how this proposal serves and/or protects the people on Michigan:

We would like to add 2 possibly 3 more users. We will share the account as needed and emulate what the assembly already does. In all reality it is best that Recording Secretaries have individual zoom accounts because new people require individualized attention. It has name recognition and everyone uses zoom compared to WebEx or other platforms. It is better to use zoom than make a phone call because on zoom we can video chat, share screen, show them the document generator and then proceed with helping them complete the document generator. Recording Secretaries are not obligated to do one's paperwork but it is a gift of love to help them come home. Or some can say Ill give you one underdog than you need to swing on your own.
