Vetting

- Summary: Background Checks Corporation (previously ClearChecks) is requiring registration information which is not something the committee is able to or wishes to do so this blocks us out of our account. We

have copies of all background checks paid for except for one (\$85 paid May 18th) which did not get completed. Because of these changes the committee has decided to change our procedures where future background checks will be paid by the man or woman being vetted. We are following the Continental Marshals procedures requesting “complete” searches which includes counties back seven (7) years for \$45 plus \$10 per county. Any concerns please contact Rick Worden. Next meeting: Thursday November 5th at 9am. (Recording 00:15:46)

Elections

- Summary: We have our guidelines in a state where we can run our elections including public elections. We will be writing a proposal to make that document “provisional” at the next committee meeting. Next meeting: Wednesday October 7th at 10am. (Recording 00:17:40)

Jural Assembly Working Group (JAWG)

- Summary: The Jural Assembly Working Group would like the GA to consider voting on the proposal to make the Court Documents from Ohio (modified for Michigan) “provisional”. This proposal will be discussed later in this meeting. We are walking through a real case brought by a committee member who has shared relevant documentation. We encourage others to attend the meeting so we can practice with different situations. We all need to learn especially about claimants. Next meeting: Monday October 12th at 4pm.  - Proposal Designation: **GA-20260035** [Time stamp 00:48:40]
 - *Be it enacted and agreed and resolved throughout our fifty (50) physically-defined States of the Union and our similarly held Territories and Possessions, our Federal Enclaves, and our Extra-Territorial and Municipal Holdings throughout the world, that mercenary war for profit is unlawful, illegal, and immoral; we will not participate in mercenary conflicts ourselves nor aid those that do engage in war for profit.*

 - On hold pending updates from the Federation.
- **Public Law Concerning Technological Intrusions and Pollution** (GA Working Group)
 - Proposal Designation: **GA-20260037** [Time stamp 00:48:40]
 - *Be it enacted and agreed and resolved throughout our fifty (50) physically-defined States of the Union and our similarly held Territories and Possessions, our Federal Enclaves, and our Extra-Territorial and Municipal Holdings throughout the world, that: (1) Invasive technologies that non-consensually access data, surveillance us, intrude upon our biological functions or otherwise violate our right to privacy are strictly prohibited; (2) Artificially induced electromagnetic fields and radiation in general are forms of pollution subject to our environmental quality standards; data centers, microwave towers, and similar installations must function safely in the Public Interest, or be shut down; (3) Aerial spraying of chemicals and particulate matter are forms of pollution subject to our environmental quality standards; any such activities must yield a proven and substantial benefit in the Public Interest to be allowed; (4) The people of our nation-states are non-domestic with respect to the citizenry of the United States and the inhabitants of our Territories and Possessions and cannot be subjected to weapons testing or other experiments under the ENMOD Treaties or similar international conventions that allow such testing on domestic populations. (5) All foreign and domestic corporations, service vendors, and agency contractors are required to take notice and comply with items (1) through (4) above.*
 - On hold pending updates from the Federation.

In Process Items (continued)

- **Public Law Concerning Involuntary Servitude, Conscription and Press-Ganging** (GA Working Group)
 - Proposal Designation: **GA-20260038** [Time stamp 00:48:40]
 - *Be it enacted and agreed and resolved throughout our fifty (50) physically-defined States of the Union and our similarly held Territories and Possessions, our Federal Enclaves, and our Extra-Territorial and Municipal Holdings throughout the world, that: peonage, forced conscription and press-ganging are repugnant and unlawful, illegal, and immoral and will not be imposed upon any American living in the physically-defined States of the Union nor any American Person nor any citizen of the United States nor any U.S. Citizen, guest, or asylum seeker.*
 - On hold pending updates from the Federation.
- **Making the Court Documents “Provisional”** (Jural Assembly Working Group)
 - Proposal Designation: **JA-20260039** [Time stamp 00:48:55]
 - *Shall we make all 49 Court Documents marked “From Ohio” provisional?*
 - The GA was shown via the GA member-only website where the Jural Assembly Court documents are currently. People need to look at them, get comfortable with them, and understand that the Jural Assembly will be using these documents to work through mock trials to learn how to run our common law courts. The documents still need work so under the “provisional” status the JAWG can make changes as we walk through the process and learn.
 - Conversation followed with several members expressing their opinions.
 - [Time stamp 01:00:55] The meeting moderator asked the GA if they were ready to vote on this proposal tonight. By using the  and  (or actual thumbs) the GA members indicated whether they were ready to vote tonight. There was a tie vote, therefore the GA did not vote on this proposal this evening.

New Items

- **Other New Business** [Time stamp 01:14:14]
 - Kimberly Mayer Watling brought attention to a recent article written by the Federation regarding Michigan. The title is “International Public Notice: Canadian Danger Signals and Our State, Michigan”. It can be found at <http://annavonreitz.com/> Article #6003 or <http://www.paulstramer.net/?m=1>
 - Dolores Rubio Fernandez would like to simplify our documents especially regarding meeting protocol, etiquette, and good standing. She will bring her ideas to the GA Working Group tomorrow.
