General Assembly Meeting
7:00pm – 9:53pm

Welcome

Word of Encouragement (Larry Williams)
Bivens Decision (Bob (troy) Brown MAA)
Meeting Protocol (Bob (troy) Brown MAA)

Reports

Treasury

- Balance in accounts: **\$5,241.95**
- Summary: Treasury report shared (attached). No report. A question about donating to Anna was asked followed by a brief discussion. Anna's donation link is shared during her Monday night webinars. Next meeting: Tuesday, November 3rd at 10AM. (Recording 00:06:10)

Records

- Summary: At the last meeting on October 12th, we discussed coordinating meetings with the Recording Secretaries since the Recording Secretaries are part of Records. Next meeting: Monday October 26th at 1pm. (Recording 00:12:00)

Recording Secretaries

- Summary: Most state assemblies do not have a Recording Secretary Committee. Their work is done on the LRO and in person with new people. The Recording Secretary meeting currently scheduled on Fridays will remain for a once-a-month update. Anna DeSantis's autographing of her affirmation as a Recording Secretary was recorded at the recent Outreach event and shown to the GA this evening. Next meeting: To be communicated to the GA by the Recording Secretaries. (Recording 00:13:11)

Education

- Summary: No report. Next meeting: Meetings are canceled until further notice. (Recording 00:23:55)

Events and Outreach

- Summary: The "Meet the Family" event on Saturday October 17th was a success with special guests from Ohio (Assembly Treasurer and Secretary). No events are planned until January 2027. An accusation was made that a "secret meeting" was held during this event. Discussion followed where those in attendance said this statement was unfounded. Please listen to the recording for details. Next meeting: Thursday, November 5th at Noon. (Recording 00:25:00)

New Member Orientation

- Summary: There was no Orientation on October 12th (no one signed up). Next training is Saturday November 14th at 1pm. Magdalena Jablonski introduced herself. For those interested in joining the Assembly please go to <https://mymichiganassembly.land/> click on *Education* and *Join The Michigan Assembly*. Go through the educational modules and fill out the form to join the next class. Next meeting: Thursday November 5th at 1:30pm. (Recording 00:34:30)

Information Technology

- Summary: Any new content that goes on any of the websites needs to go through the IT Committee in the future. The ASN Website was shown to the GA. This website is not currently "live" but it will be available for ASNs with practical tips, education and resources. A blog is being considered as well but will need someone to contribute to it regularly. More space is needed on all of the Assembly websites. We need to ultimately determine how we are going to manage our records (retention, etc). An IT meeting is scheduled for this Friday to discuss ideas. Next meeting: Friday October 23rd at 4pm. (Recording 00:38:00)

Reports (continued)

Vetting

- Summary: No report. Next meeting: Thursday November 5th at 9am. (Recording 00:50:10)

Elections

- Summary: The committee met on October 14th to write a proposal to make the Election Committee Guidelines “provisional”. That proposal will be presented for the first time later in this meeting Next meeting: Wednesday November 4th at 10am. (Recording 00:53:25)

Sessions

- Summary: This committee met on October 14th and worked on the Sessions Calendar for 2027. That calendar will be presented later in this meeting. Next meeting: Wednesday January 6, 2027 at 10am. (Recording 00:53:55)

General Assembly Working Group (GAWG)

- Summary: Working through many agenda items. The committee decided to withdraw the proposal where the “Good Standing” and “Committee Membership” guidelines are combined. Those two documents deal with separate issues so two new proposals will be brought to the GA once we sort through new information to consider for the guidelines. Next meeting: Weekly on Wednesdays at 5pm. (Recording 00:54:25)

Jural Assembly Working Group (JAWG)

- Summary: We have been using the full two hours working on a mock trial. This last Monday we reviewed what we currently have for the Jural Assembly on the GA member website and will update a few items. We discussed roles and what to do about that. We viewed a segment from the Arkansas Jural Assembly training on YouTube; the link is available in the meeting minutes from October 19th. The Ohio Jural Assembly has been practicing with six mock trials and has had three successful trials with the defacto. We can learn from these successes. The proposal to make the Court Documents from Ohio (modified for Michigan) “provisional” will be up for a vote later in this meeting. Next meeting: Monday October 26th at 4pm. (Recording 00:55:32)

Militia Assembly Working Group (MAWG)

- Summary: Further along on getting groundwork established including sectioning the state into zones. Perhaps the Militia pillar will attract more people to get rescued onto the land and soil. No recent updates on the logo/emblem.
- PKTF Liaison report: Emphasized the importance of developing both “operations” and “organizational” sides of the Militia. We need to develop a standing committee “Committee of Safety” (**post meeting edit**: this may be the “Public Safety Committee” per the MAWG meeting minutes from October 20, 2026). By dividing the state into zones we can have a rapid response from community safety units at local levels. Update our emergency response with drills so the GA can remain well connected in good and bad times. Considering different meeting times to address the “operations” and “organizational” sides. Re-introducing the **Super Duty Militia Saturdays** – temporary date set: **November 21st**. This would be a time to share ideas and training for self-reliance and community building. Contact Kimberly Watling if you have skills to share or a topic to teach. Next meeting: Tuesday October 27th at 4pm. (Recording 01:00:30)

International Business Assembly Working Group (IBAWG)

- Summary: Continue to work on identifying and defining the Roles and Guidelines. Nigel Turtle asked about the Maturity Assessment and where that stands. Mark Steinke explained it as a way to grade yourself on where you are at and where you want to be. We put it on hold to work on the roles and guidelines. It will be a useful tool for all committees and pillar work. David Burke reported it is drafted and almost done for presentment. Next meeting: Wednesday October 21st at 4pm. (Recording 01:17:20)

Coach's Corner, by Rick Worden (Recording 01:20:30)

- Direct Email Campaign: Anna reported during her Monday night webinar (October 19th) that Trump and his military are replacing some district courts with military tribunals and they intend to establish a form of civilian court system with U.S. citizens which are British subjects. We have six months to get our act together or we may lose what our ancestors won in the War for Independence. Rick proposed we send an email to all ASNs on the Michigan Assembly membership roster that they must participate or we run the risk of losing everything. This is our opportunity right now to put our assemblies together. If we squander this we have no

Reports (continued)

one to blame but ourselves. We need to do something similar with ASNs on the state but that will take more work. These email campaigns are on the GAWG agenda for tomorrow. Robin Chavez asked a question regarding a video she listened to recently about maritime courts being turned back into common law courts within the next six months, and asked if these common law courts will affect the assemblies. Common law courts within the military are still in their jurisdiction, not ours, but this may confirm what Anna is talking about. David Burke asked for a repeat of the information that Rick shared. Basically the administrative courts will be removed with a transition of military tribunals and then try to put themselves in our place. We are the “real deal” because they are British subjects, not Americans. It was recommended to listen to the webinar; Anna spoke about this information about 2/3rds of the way through the webinar. Bottom line is that more people need to get involved. Rick has started an email for this campaign and would like input from the GA Working Group tomorrow at 5pm. Robin shared the video she listened to in the chat.

- **Oversight and Ombudsman Committees:** Some people met last Thursday to restart development of these two committees. This needs to be added to the GA business meeting agenda for next time. An opportunity to learn about Oversight has presented itself due to a member making some allegations on Telegram last week and they want their concerns addressed. There is room for this discussion at the end of this agenda during “New Items – Other New Business”.

In Process Items

[Timestamp 01:30:30] Before this section got underway a concern was brought up by Kimberly Watling regarding guidelines and standard operating procedures (referenced Anna’s Monday night webinar at the 01:30:00 time stamp). Are we binding ourselves and locking ourselves in or can we use these as bumper rails like in bowling? Can we use them more loosely and write them as we go and leave a trail rather than locking ourselves in so hard. The “provisional” status allows for guidelines that aren’t done and still need work but can be brought in front of the GA and used and perfected as we continue to build the pillars. A concern was voiced that some people may be targeted for retaliation. Please listen to the recording for details.

- **Elections for Court Roles** (Nigel Turtle, JA Working Group)
 - Reminded the GA of our accelerated election process from a year ago. The JA Working Group discussed this on Monday regarding the roles of Justice and Bondsman. Progress has been stalled due to circumstances that have paused vetting. Nigel will reach out to those who were elected to see if they are still interested in them. This item will remain on the agenda. (Recording 01:40:40)
- **Elections for General Assembly Roles** (Rick Worden, Coordinator)
 - No activity. Remains on the list as a reminder. Eventually we need to have our public elections. Election guidelines will be presented to the GA later in this meeting. (Recording 01:43:40)
- **Adoption of “Good Standing Procedure” and “Committee Membership and Voting Members”** (GA Working Group) [Time stamp 01:44:35]
 - Proposal Designation: **GA-20260029**
 - *Shall The Michigan Assembly adopt these two documents: “Good Standing Procedure” and “Committee Membership and Voting Members”?*
 - The committee withdrew this proposal during their committee meeting on October 7th. Two ideas will be presented to the GA in future separate proposals.
- **Public Law Concerning Mercenary Warfare** (GA Working Group)
 - Proposal Designation: **GA-20260035** [Time stamp 01:45:05]
 - *Be it enacted and agreed and resolved throughout our fifty (50) physically-defined States of the Union and our similarly held Territories and Possessions, our Federal Enclaves, and our Extra-Territorial and Municipal Holdings throughout the world, that mercenary war for profit is unlawful, illegal, and immoral; we will not participate in mercenary conflicts ourselves nor aid those that do engage in war for profit.*
 - Still on hold.
 - This week in Anna von Reitz’s (AVR) article #6026 states revised language and instructions concerning the Federation proposed public laws will be made available soon. Anna hopes to have the laws approved by Christmas.

In Process Items (continued)

- **Public Law Concerning the Naming of Business Entities** (GA Working Group)
 - Proposal Designation: **GA-20260036** [Time stamp 01:45:05]
 - *Be it enacted and agreed and resolved throughout our fifty (50) physically-defined States of the Union and our similarly held Territories and Possessions, our Federal Enclaves, and our Extra-Territorial and Municipal Holdings throughout the world, that the word "Unincorporated" shall be added to all doing-business-as names of our American Government and all unincorporated businesses that are associated with us and standing under American Law effective September 1st 2026.*
 - Still on hold.

 - *Be it enacted and agreed and resolved throughout our fifty (50) physically-defined States of the Union and our similarly held Territories and Possessions, our Federal Enclaves, and our Extra-Territorial and Municipal Holdings throughout the world, that: (1) Invasive technologies that non-consensually access data, surveillance us, intrude upon our biological functions or otherwise violate our right to privacy are strictly prohibited; (2) Artificially induced electromagnetic fields and radiation in general are forms of pollution subject to our environmental quality standards; data centers, microwave towers, and similar installations must function safely in the Public Interest, or be shut down; (3) Aerial spraying of chemicals and particulate matter are forms of pollution subject to our environmental quality standards; any such activities must yield a proven and substantial benefit in the Public Interest to be allowed; (4) The people of our nation-states are non-domestic with respect to the citizenry of the United States and the inhabitants of our Territories and Possessions and cannot be subjected to weapons testing or other experiments under the ENMOD Treaties or similar international conventions that allow such testing on domestic populations. (5) All foreign and domestic corporations, service vendors, and agency contractors are required to take notice and comply with items (1) through (4) above.*
 - Still on hold.
 - This week in Anna von Reitz's (AVR) article #6026 states revised language and instructions concerning the Federation proposed public laws will be made available soon. Anna hopes to have the laws approved by Christmas.
- **Public Law Concerning Involuntary Servitude, Conscription and Press-Ganging** (GA Working Group)
 - Proposal Designation: **GA-20260038** [Time stamp 01:45:05]
 - *Be it enacted and agreed and resolved throughout our fifty (50) physically-defined States of the Union and our similarly held Territories and Possessions, our Federal Enclaves, and our Extra-Territorial and Municipal Holdings throughout the world, that: peonage, forced conscription and press-ganging are repugnant and unlawful, illegal, and immoral and will not be imposed upon any American living in the physically-defined States of the Union nor any American Person nor any citizen of the United States nor any U.S. Citizen, guest, or asylum seeker.*
 - Still on hold.
 - This week in Anna von Reitz's (AVR) article #6026 states revised language and instructions concerning the Federation proposed public laws will be made available soon. Anna hopes to have the laws approved by Christmas.
- **Making the Court Documents "Provisional"** (Jural Assembly Working Group)
 - Proposal Designation: **JA-20260039** [Time stamp 01:45:50]
 - *Shall we make all 49 Court Documents marked "From Ohio" provisional?*
 - These documents are mostly forms used for a common law court process. We received them from Ohio and converted them for Michigan with very few changes. We need these documents so we are consistent with what we are doing and we learn what we need to do in the court process.
 - The proposal was read through again to the GA. Discussion followed. Please listen to the recording for details. A suggestion was made to define the "status" terms "GA approved", "Work in progress", and "Provisional" on the website. Are these documents required to do "mock trials" via an official vote or can we just use these documents without binding us to the 49 documents? We want the GA to look at the documents.
 - The GA voted on this tonight.

In Process Items (continued)

- [Time stamp 02:04:40] Linda Steinke directed the Roll Call vote. Jan Buzard assisted with the vote tally on the screen. The GA waited for the results to be reported.
- **RESULTS: YES = 21 NO = 8 PASSED** [0 Present, 35 Absent] [Time stamp 02:15:25]

New Items

- **Elections Committee Guidelines Provisional** (Elections Committee)
 - Proposal Designation: **GA-20260041** [Time stamp 02:16:25]
 - *Shall we make the Election Committee Guidelines provisional?*
 - The guidelines were shown and read to the GA for the first time tonight with some discussion following.
 - The proposed guidelines are under "Guidelines" on the navy blue banner of the GA member website. Title of the document is "Elections Committee Guidelines".
- **Review Proposed 2027 Sessions Calendar** (Sessions Committee) [Time stamp 02:44:35]
 - The proposed 2027 Sessions Calendar was shared and briefly discussed. It is attached to these minutes.
 - We will review it at the next GA business meeting and possibly vote on it.
- **Other New Business** [Time stamp 02:50:30]
 - The Marshal-at-Arms was going to report on a complaint for the GA to discuss. Since this GA business meeting lasted almost three (3) hours the MAA asked the GA what they wanted to do. Two people spoke up saying "call it a night!". The MAA agreed and said to look for an email for a Special Session.

The Michigan Assembly

Proposal

Designation JA-20260039

Making the Court Documents “Provisional”

Proposal Information

Proposal Question: Shall we make all 49 Court Documents marked “From Ohio” provisional?

Origination Details:

The Michigan Assembly, Unincorporated acquired 49 documents from The Ohio Assembly, Unincorporated and converted them to “Michigan” documents by changing designations and correcting some inconsistencies. Those documents are listed under Current Guidelines on the member website under Jural Assembly.

The Assembly passed the “provisional” proposal on July 7, 2026, which allows the General Assembly to vote on one or more documents, making them available for use while they are still being developed. That proposal was done in anticipation of doing this proposal to make “the Ohio court documents” ready to use.

Describe how this proposal serves and/or protects the people on Michigan:

This proposal moves our documentation development along so we can do mock trials and eventually start operating our courts. Getting our courts up is crucial for getting our Pillars up and making our Land Jurisdiction government operational on Michigan for the people.
